

Welcome back to a new school year in Kingfisher Class. I hope that you all had a very enjoyable summer. It has already been a very busy start to the term and I am pleased to see the children so enthusiastic about being back. I wanted to use this opportunity to share a few more details about our class and to thank you for such a positive start.

We are incredibly lucky that we have lots of support this year in Kingfisher Class. We are joined by Mrs Sluman and Mrs Ruiz. You are always welcome into our class and if you need to share anything with us the best time is visit after school.

Please can you bring in book bags or the coloured reading folders daily. We will be starting a weekly reading raffle because I can already see so many children reading at home. **Watch this space!** ☺ **Homework will be sent out on a Thursday** and will consist of reading, spelling and maths skills just like before in their previous class.

The children look fantastic in their new school uniform and they are really proud of their new clothes. Please can you make sure that all items are named including coats. **PE will be taking place on Tuesdays** but it is always useful to keep their kit in their lockers. Please can you also make sure that these items are all named.

This term we will be learning all about machines and different ways of travelling the world. We have already started by learning about whose idea it was send a hot air balloon into the sky. **Did you know they sent up a sheep to test it?**

Our new website launches on Monday the 17th of September and there will be a special page especially for Kingfisher class. Please keep looking at this as we will continue to share and celebrate the children's fantastic work.

Thank you very much for your ongoing support and we all look forward to a fantastic year in Kingfisher class.

Miss Marshall, Mrs Sluman & Miss Ruiz
