100% Attendance .Congratulations!

Well done to those children who were in school and on time every day of the Autumn Term.

We are still working towards meeting the government expected target of 96% for the whole school. Our attendance to date is 93.5%.Please help us to reach our target by making sure your child attends school regularly.

Did you know that 80% attendance is the same as having a day off every week?

Did you know that children with over 90% attendance are more likely to gain 5 or more GCSEs grade 4 or better

Sports Leaders

Well done to the children who are working with Mrs Farr from Park School to achieve this award.

The Devon Ability Games

These children represented our school at the Devon Ability Games where they tried out some new activities and one of our children did especially well at wheelchair basketball. I wonder who that was?
