Summer Time

It has been wonderful to see the sun shining this week, coinciding with so many events in and out of school for the children. In particular the sun was out for Heron's and Owl's trip to Instow this week, which saw the children learning all about beaches and sand dunes. The children thoroughly enjoyed their day and their behaviour was superb. Next week classes are also off to Westward Ho! and we are sure the days will be just as rewarding and enjoyable.

We wish everyone a safe and happy weekend.

Sports Mornings – 6th and 7th July

We are excited that the PE Team at North Devon Primary Sports will be running a younger and older children's sports morning on the 6th and 7th July between 10am – 12. We are welcoming parents on site at these times to come and watch their child take part in a carousel of games and then some final fun races across the field. We want this to be a happy and enjoyable occasion for all, no matter what their sporting ability is. The importance of physical exercise for a healthy lifestyle has never been more important since lockdown, and we hope that this will now be a regular event on the sporting calendar.

Reminder – Start of Day

Please can we remind parents/carers that when they drop off their children in the mornings to make their way off site as promptly as possible. This helps with getting all the children into school in a calm and safe way, without blocking footpaths or overhearing 'adult' conversations. Many thanks for your support with this.
